

# Technical Specification

## Main Technical Parameter

|                             |                                                                                                |                        |                               |
|-----------------------------|------------------------------------------------------------------------------------------------|------------------------|-------------------------------|
| Production name             | SQR1021-1E Karry mobile food truck                                                             |                        |                               |
| Gross weight(Kg)            | 1980                                                                                           | Overall dimensions(mm) | 4660X1880X2575                |
| Payload(Kg)                 | 415                                                                                            | Cabinet size(mm)       | 2600X1720X1810                |
| Curb weight(kg)             | 1435                                                                                           | Front/rear hang(mm)    | 615/1445                      |
| Approach/departure angle(°) | 28/16,28/15                                                                                    | Wheelbase(mm)          | 2600                          |
| Axle No.                    | 2                                                                                              | Max speed(Km/h)        | 110                           |
| Axle load(Kg)               | 635/1165                                                                                       | Transmission           | 5 forward gear,1 reverse gear |
| Cab                         | Single row,Both left hand drive and right hand drive can be Offered.Air condition is optional. |                        |                               |

## Chassis Technical Parameter

|                           |                            |                         |                     |
|---------------------------|----------------------------|-------------------------|---------------------|
| Chassis model             | SQR1021-1E                 | Tyre No.                | 4                   |
| Chassis brand             | Karry                      | Engine manufacturer     | Karry Auto Co.,Ltd. |
| Front/rear track base(mm) | 1360/1380                  | Tyre specification      | 165R13LT            |
| Fuel Type                 | gasoline                   | Emission standard       | Euro 4              |
| <b>Engine model</b>       | <b>Engine manufacturer</b> | <b>Displacement(ml)</b> | <b>Power(Kw)</b>    |
| SQR472WF                  | Karry Auto Co.,Ltd         | 1083                    | 55 (75HP)           |
